What makes Kiribati Special?

**Best left-hand surf
break – Fanning Is**

What makes Kiribati Special?

**World Class Saltwater
Fly Fishing Destination**

An underwater photograph of a vibrant coral reef. The scene is filled with various species of fish, including several large orange fish with dark stripes and a prominent yellow fish in the lower left. The coral is diverse in color, ranging from deep reds and purples to greens and blues. The water is clear, and the lighting is bright, highlighting the textures of the coral and the scales of the fish.
