

SOLOMONS GOLD

Introducing our new Premium *Velvet* Collection

After 2 years of research and development, we're proud to launch our new premium Velvet collection - a luxurious and healthy 85g range handcrafted from the finest single origin cacao and cold pressed virgin coconut oil, both sourced from the pristine Solomon Islands.

The Velvet collection is **Dairy Free, Gluten Free, Nut Free, Soy Free, Cane Sugar Free, Kosher, Vegan** and showcases all the powerful superfood benefits of cacao and cold pressed virgin coconut oil.

Our new 100% natural range delivers a refined & velvet smooth note that will appeal to chocolate connoisseurs, as well as health conscious consumers seeking wholefood, 'Free From' and allergen free chocolate alternatives.

'Free From' foods are one of the key growth drivers in the healthy food category and consumers are increasingly looking for clean labelled products containing natural and 'Free From' ingredients. **We do not use** artificial additives, preservatives, refined sugars, soy lecithin or emulsifiers.
