

Name of Company Tabs Investments Company Limited
Address Lot 2 Nukutuku Road, Vugalei, Lami, Fiji

Background

Tabs Investments began 11 years ago as an opportunity for small business. What began as a means to help Fiji's mahogany industry gain appreciation and awareness for genuine mahogany as a species; commodity, and its end usage, has propelled into recognition for Fiji's mahogany by Tabs Investments with some of the world's leading high end guitar brands.

Guitar brands such as Taylor (USA) and Manuel Rodriguez (Spain) are now associated with Fiji mahogany in their guitars. Combined, they have been using Fiji mahogany in their guitars for 9 years. Our relationship growth is one founded on nurturing principles and commitment.

International buyers of Fiji mahogany can expect personal attention, and a professional long term relationship from Tabs Investments. We are the only company renowned for mahogany tonewood supply relationships direct from Fiji. We care about your Business being our Business.

Products

We currently hold our country's top position as the exporter of high grade timber and lumber to international guitar brands. Where possible, Tabs Investments will continue to develop a wider client base for Fiji mahogany with music brands of various instruments.

Our product is custom cut to the customers' specifications.

Current Markets: USA, Japan, Mexico

Interest in New Markets: Europe
